H&C Nursing Care & Staffing Agency

We are providers of individually-focused comprehensive health care services and supports such as skilled nursing care, personal care/ attendant aides and rehabilitation in the comfort of your own homes in Pennsylvania.

Additionally, as one of the leading health care staffing agencies, we deliver people who fit your individual and organizational needs perfectly.

At H&C Nursing Care and Staffing Agency, our professionals evaluate each new care case at no charge. This allows the individual served, his/her family and Care coordinator or Manager to complete a Care Plan, and for the determination of a perfect Caregiver-individual served, personality match to be generated.

Our Mission

To be the dedicated premier Nursing Care and Staffing Agency through the provision of quality, cost-effective health care and staffing services and supports.

Our Vision

Our vision is to unite health care with healthy activities and be recognized for our passion and commitment to serve, help, and enhance the quality of life and well being of the individuals we serve.

At H&C Nursing Care and Staffing Agency, we care with a difference.

We are committed to your health and future.

- Have you been hurt in an accident and need assistance?
- Have you recently undergone surgery and need help while you recuperate?
- Are you in need of a family care taker?
- Do you need someone to accompany you or a family member to the grocery store/mall or for medical appointments
- Do you need maid support for the elderly?
